here but I didn't talk to him. They asked me about this [REDACTED] thing. Forget I even said this to you. I think they may drop the whole thing, which would be the best thing that ever happened. They didn't ask me anything pertaining to this - they did ask me if [REDACTED] -.

They said, did he ever mention the name [REDACTED] I said, I don't know who he is. The extent of it was we were playing golf, we teed off and were walking down the third hole. He said, do you know a fellow named [REDACTED]. Do you know a fellow by this name. They are investigating him. I said, no, does [REDACTED] know him. I said, I don't know, why don't you ask him. He says, where is he. I said, In [REDACTED] I went and hit the second shot and never said another word about it.

Course I don't know what the deals are back there, but my indications are, and I'm going to keep my fingers crossed, that only - - that they will completely drop this thing and then he can finalize my situation. I left - they said first they wanted me to put that in a statement, then they asked me, who went out with you to dinner. Who arranged it. I said, nobody arranged it. They said, what did you talk about in the bar at the [REDACTED] I said, small talk. They said, where did you sit and where did [REDACTED] sit - what did you discuss. I said, small talk. They said, when you left did you and [REDACTED] walk behind. I said, yes. They said, what did you talk about. I said, I told him to keep his nose out of this - that I didn't even want to discuss it and if he had an obligation, I would think he is crazy. They said, did you argue with him. I said, no, we did not argue, but I may have talked in an excited voice. They said, did [REDACTED] join you. I said, yes, I imagine he did. They said, you may have obligations to (?), and he reiterated it to me. I have never said another word to this man about the whole thing you know. He said, what did you do - - -. I said, I had one drink and went home since I had to come down and see you fellows this morning. They said, will you make a statement to this effect. I said, yes. I don't want you to tell this to anybody because I don't want to get you [REDACTED] involved.

LV [REDACTED]

So I get down there and they said, we don't even need a statement. I went in there with fire in my eyes. The thing is, that [REDACTED] made a bad move. They have been following him and they know every (Obscene) move he makes. I have personally never discussed it with [REDACTED]

[REDACTED] The thing is I don't want to get involved in this.

[REDACTED] I don't know why [REDACTED] got involved. Don't ever repeat what I just told you. Good or bad you are out of this thing only because you did what I told you.

[REDACTED] What do you think they are going to say? [REDACTED] only got (?).

[REDACTED] When he got into this thing - not that he is involved, he isn't.

[REDACTED] But he committed just as big a crime by trying to cause an obstruction (?).

[REDACTED] And I think ROY (COHN) went with [REDACTED] once. I never knew it until just the other day. [REDACTED] asked me and called me up and I said, I don't know. Otherwise now COHN is dead.

[REDACTED]
[REDACTED]
The above appears to be a recital by [REDACTED] connected with his recent trip to New York City. [REDACTED]

Later on on 10/3/62 [REDACTED] placed a long distance telephone call to [REDACTED] to number [REDACTED]. Following is [REDACTED] portion of the conversation:

[REDACTED] I didn't call the other attorney yet - [REDACTED] of New York City) says it's absolutely untrue, he told me that today. They are having a meeting in the summit room at twelve noon on Saturday - You are buying a lot of trouble and you have nothing to gain if you tell the truth. The stock was not legally issued - It was legally issued in any state but

LV [REDACTED]

California. [REDACTED] You will only hurt yourself and you can't help anybody [REDACTED] if you try to bring [REDACTED] and [REDACTED] into this, you are going to hurt them and also hurt you - Why does he dislike ROY - There will be no cake to divide to anybody if you upset that one. [REDACTED] let me tell you this, ROY, for all his headstrongness, is in terrible trouble - [REDACTED]

[REDACTED] What can I do - That's what we did in the other fight - Let them prove it to you the other way. Let them show how they made it on the books - Please, on the other thing, I'm beseeching you, you owe me that at least - [REDACTED]

[REDACTED] all I'm telling you is that on this circumstance you make it impossible to follow the plan that was going to be done - I know [REDACTED] you have got to protect yourself, but - Of course, [REDACTED]

b7c [REDACTED] What I don't appreciate is this, I have spent too much time and I don't get anything but a kick in the face and if you're not going to listen to me and go off halfcocked, I don't appreciate that. You're willing to go down to Washington and see they file a return and that's as far as you'll go. All I'm telling you is they are on a cash basis of accounting [REDACTED] I want you to differentiate between what I'm testifying and what I'm telling you. I further happen to know how he spent so much time trying to protect a corporation called [REDACTED] and [REDACTED] Remember that, and it's awful (Obscene) silly for you to try and upset that apple cart now. I'm ashamed of you and I'm telling you this.

[REDACTED] terminated the above conversation and shortly thereafter telephonically contacted [REDACTED] portion of the conversation is as follows:

Roy Cohn Leaves Posts At Tower Universal; Group Buys Him Out

**Firm's Fiscal 1962 Profit, Sales
Topped 1961; Ward's Takes
Travel Service From Affiliate**

A WALL STREET JOURNAL NEWS ROUNDUP

Roy M. Cohn resigned as chairman of the executive committee and a director of Tower Universal Corp., a New York diversified holding company. I. Jerome Riker, president of Tower, said a group he heads has bought all Mr. Cohn's 50,000 Tower shares. The stock closed yesterday on the American Stock Exchange at \$4.12½, up 12½ cents.

Tower Universal also reported net income for the fiscal year ended Sept. 30 was \$181,770, or 22 cents a share, up from \$97,156, or 15 cents a share, in fiscal 1961. Sales climbed to \$4,976,178 from \$1,668,723.

And E. F. MacDonald Co. formally announced it has taken over from a Tower Universal affiliate the operation of Montgomery Ward Co.'s travel service.

In April 1961, a group headed by Mr. Riker, including Mr. Cohn, bought 45% of Tower Acceptance Corp., a Houston consumer finance concern. It later changed its name to Tower Universal. In June 1961 Tower bought Fugazy Travel Bureaus, Inc. It also has other holdings including a swimming pool manufacturing concern, a small loan company and an airline insurance vending machine concern.

Mr. Cohn, a lawyer, also is chairman of Lionel Corp., a toy train manufacturing and electronics concern.

E. F. MacDonald, Dayton-based incentive sales company, earlier said it was taking over operations of the Montgomery Ward travel service.

Elton F. MacDonald, chairman of MacDonald, said all Ward's travel operations will be directed by Happiness Tours, Inc., a travel service subsidiary of MacDonald. Happiness Tours will handle all details of sales, reservations and ticketing for customers of Ward's Travel Service.

Ward's travel service formerly was provided by Fugazy. A spokesman for Ward's declined to comment on the reason for switching this business from Fugazy to Happiness Tours.

About a year ago Ward's began its travel service which offers no-money-down credit terms for customers with two years to pay, according to Charles W. Wood, Ward's merchandising vice president.
